

# Two Trusted Financing Options, One Application

By offering the Synchrony Pay Monthly loan, alongside the CareCredit credit card, you can help empower even more patients to proceed with hearing care today – all with the financing option that works for them.

## SYNCHRONY PAY MONTHLY LOAN

### Provider Benefits

**Help more patients proceed with hearing care** by offering a wide range of financing options.

**Help ease cost concerns** with a variety of financing options for small to large tickets with convenient monthly payments.

**Offering both the CareCredit credit card and Pay Monthly loans** could help drive and open the door for repeat treatment with a convenient way to pay.

### Product Features

**Universal Application:**  
Patients can see if they prequalify for the CareCredit credit card and Synchrony Pay Monthly loan at the same time.

**Single-Use Installment Loan:**  
Closed when paid in full.

**Set Terms:**  
Fixed monthly payment, APR, and payoff date.

### Did you know?

**Just over four-in-ten CareCredit cardholders would have postponed care if CareCredit was not available for their most recent purchase or procedure.\***
